Bachelor of Education (Secondary)

Course Overview Description

Tabor College's Bachelor of Education (Secondary) program prepares you for teaching Years 7 to 12. Our personalised learning experience, grounded in research-based cognitive learning principles, equips you with knowledge and skills to make a positive impact on young lives. Choose specialisations in English, Mathematics, History, Science, Home Economics, Physical Education, Visual Arts and Music, with the option to pair our curriculum learning areas with other universities. You'll benefit from smaller class sizes and comprehensive coverage of Curriculum, Pedagogy, Classroom Management, Diverse Learning Needs and Differentiated Teaching, as well as Middle Years and Senior SACE/IB philosophy and practice informed by contemporary cognitive science of learning.

Professional Recognition

Our Bachelor of Education (Secondary) qualification is fully accredited by the Tertiary Education Quality Standards Agency and the Teachers Registration Board of South Australia, ensuring our graduates meet the highest standards of teaching excellence. Our pedagogy theory and practical assessments are directly based on the Australian Institute of Teaching and Leadership's Professional Standards for Teachers.
