COMPOSE YOUR future

study a
Bachelor of Music

Step into your spotlight, study at TIM.

About the Bachelor of Music

The Tabor Institute of Music (TIM) offers a well-rounded Bachelor of Music designed to get you career ready. This practical degree seeks to equip you with transferable skills for the future. Develop confidence in a broad range of musical styles and genres, whilst gaining real skills relevant to the music industry. At TIM, you'll be surrounded with like-minded musicians who are passionate, driven and creative.

What can I study?

At TIM we are invested in developing you as a musician, giving you more creative freedom. This sometimes means you'd benefit from crossing genres in your performance or transition to major in another specialisation. As part of your chosen specialisation you will receive private lessons to help you reach your full potential.

You have the choice to major in the following:

 **Composition**
 Composing, Song Writing, Arranging

 **Digital Music**
 Production and Digital Composition

 **Performance**
 Jazz, Classical, Musical Theatre, Rock, Folk, Metal, Funk

Course information

 **Duration**
 3 years full-time or part-time equivalent

 **Application**
 Audition, theory assessment & ATAR

 **Start Date**
 February or July

 **Location**
 Tabor Institute of Music, Millswood SA

 **Tertiary Admission Assessment (TAA)**
 Tabor Undergraduate Awards

Course units

19 + **5** = **24**
 Core Electives Unit Total

Examples of units include a range of music performance subjects, music industry, music history, and music theory options. Specialist units such as Digital Music, Scoring for Film, Music Education, Instrumental Pedagogy, Music Psychology, Music Theatre, Music Business and Industry Placement are also available.

Career paths

Our BMus prepares you for a wide range of careers, jobs and career paths, common paths include:

Performer

Music Educator

Event Manager

Composer

Music Producer
